

**László Dux MD PhD DSc
curriculum vitae**

Personal:

Born May 11. 1954, Szeged, Hungary
Marital status Married, three children
Citizenship Hungarian
Tel: +36-62-545096
Fax: +36-62-545097

Education:

1972-78 Albert Szent Györgyi University Medical School Szeged, Hungary
1980-81 International Training Course Biological Research Center, Hungarian Academy of Sciences, Szeged, Hungary
1981 Clinical Pathology and Clinical Biochemistry Postgraduate Medical School, Budapest, Hungary
1981 FEBS Advanced Course on Immunological methods and their application Göd, Hungary
1983 FEBS Advanced Course on Enzymes, Receptors and Carriers of Biological Membranes, Gwatt-Bern, Switzerland
1984 Postgraduate Course on Biological Radiochemistry Technical University Budapest, Hungary

Qualifications:

1978 Medical Doctor (MD) Albert Szent-Györgyi University Medical School Szeged, Hungary
1981 Specialist on Clinical Pathology and Biochemistry Postgraduate Medical School Budapest, Hungary
1985 Candidate of Biomedical Sciences (PhD) Hungarian Academy of Sciences
1987 Biochemist Postgraduate Medical School Budapest, Hungary
1989 Doctor of Biomedical Sciences (DSc) Hungarian Academy of Sciences

Professional appointments:

1978-1990 Assistant professor - Department of Biochemistry, Albert Szent-Györgyi Medical Center, University of Szeged, Hungary
1990- Full professor and department head - Department of Biochemistry, Albert Szent-Györgyi Medical Center, University of Szeged, Hungary
1992-1998 Central Laboratory of Clinical Chemistry, Albert Szent-Györgyi Medical Center University of Szeged, Hungary

Fellowships:

1982-83 Postdoctoral fellow - Department of Biochemistry State University of New York, Health Sciences Center, Syracuse, New York
1984 visiting scientist (same institute)
1986 visiting scientist (same institute)
1983 FEBS Travel fellowship Gwatt-Bern, Switzerland
1985 IUB Travel fellowship Amsterdam The, Netherlands
1987 George Soros fellowship Jerusalem, Israel
1988-90 Humboldt fellowship Universität Konstanz, Fakultät für Biologie Konstanz Germany

- 1990-92 visiting scientist Royal Postgraduate Medical School Hammersmith Hospital Department of Pediatrics London, England, and Cornell University, New York State College of Veterinary Medicine, Department of Pathology Ithaca, New York
- 2004 National Institute of Neurology and Psychiatry Tokyo, Japan JAFHA fellowship

Memberships:

- 1986- Presidium of the Hungarian Biochemical Society
- 1989- 1995 Presidium of the Hungarian Society of Physiologists
- 1990- 1996 Member Committee on Experimental Medicine of Hungarian Academy of Sciences/
- 1990- 2000 Member of Committee on Biochemistry and Molecular Biology of Hungarian Academy of Sciences/ member
- 1992-1996 Funding Member of the Curatory of Duna TV
- 1992-1997 National Accreditation Board on Higher Education
- 1992-1997 Member of the Plenum of Hungarian Accreditation Committee (HAC)
- 1992-1997 Chairman of the Committee of Health Profession Education of Hungarian Accreditation Committee (HAC)
- 1994-1998 Representative of the Ministry of Health in the National Research Fund (OTKA) Committee
- 1993- Presidium of the Hungarian Association of Clinical Pathology and Laboratory Medicine
- 1994-2000 National Advisory Board on Clinical Chemistry and Laboratory Diagnostics
- 1995-2004 World Muscle Society Executive Board member
- 1996-1998 National Representative in IUPAC Committee VII. Clinical Chemistry
- 1996-2002 President of the Supervisory Board of the QualiCont in vitro Diagnostic Quality Control Public Utility Co.
- 1998-2000 Chairman of the Hungarian Higher Education Development Project Fund
- 1998-2002 Member of the National Ethics Committee, Hungarian Medical Chamber
- 1999-2002 Member of István Széchenyi Curatory
- 2000-2003 Member of the National Research Development Program Board in Life Sciences
- 2000 - Hungarian Academy of Sciences General Assembly, Elected Representative
- 2004-2007 President of the Infraindividual Biology Selection Committee in the National Research Fund (OTKA)
- 2002- Honorary Director of Research and Development of QualiCont in vitro Diagnostic Quality Control Public Utility Co.
- 2002-2010 Member of the Supervisory Board of Batthyány Society of Professors
- 2003-2010 Chairman National Ethics Committee, Hungarian Medical Chamber
- 2007-2009 President of the Batthyány Society of Professors in Szeged
- 2009-2010 President of the Batthyány Society of Professors in Hungary
- 2010-2012 Deputy State Secretary for Higher Education and Science Policy Ministry of National Resources
- 2012- FEBS Education Committee / National Representative
- 2012- President of Committee on Clinical Chemistry of Hungarian Academy of Sciences
- 2013- President of the Hungarian Humboldt Association

Awards:

- 1975, 1976, 1977, 1978 1st Awards on National Student Scientific Conferences Hungary
- 1977 István Apáthy Award
- 1980 Academic Award for Young Scientists Hungarian Academy of Sciences

1985 Jubilee award of the Hungarian Society of Physiologists
1987 Award of the Hungarian Ministry of Education for outstanding teaching activities
1988 Award of the Albert Szent-Györgyi University Medical School for outstanding teaching activities
1994 Albert Szent-Györgyi Award
1997-2001 Szécheny professor
1998 Pándy Kálmán award for outstanding achievements in Laboratory Medicine
1998, 1999, 2000, 2002, 2004, 2006, 2007 "Best Department" award (Department of Biochemistry)
1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2012 "Best Lecturer" award at Hungarian Program of Medical Faculty of University of Szeged
1996, 1997, 1998, 2006, 2008, 2009, 2010, 2012 "Best Lecturer" award at Hungarian Program of Medical Faculty of University of Szeged
2004, 2005 "Erhabene Professor" award at German Program of Medical Faculty of University of Szeged
2007 Award for Sport Activities of University of Szeged
2009 Medallion for Csongrád County
2010 "Prima" award in field of the science
